

High-End TV Levy Fund Bursaries

Creative Skillset's High End TV (HETV) Levy Fund is fully funded by industry investment from levy contributions paid on HETV drama productions since April 2013. The HETV Levy Fund addresses the skills and training needs of the HETV industry to create jobs and training opportunities, and to strengthen and build skills to ensure the robust growth of the sector is secured with a fully skilled and growing workforce.

We have ensured all the information you require is listed below. Unfortunately, we do not have the resources to take phone calls regarding bursaries. However, if you do have a query please email this address: hetv@creativeskillset.org.

What training can we support?

We invite applications from **individuals**, working in the **UK Screen Industries** as **freelancers**, to apply for bursary support to help them progress within High End TV drama. Please note that the following in-demand departments are currently being prioritised:

- Accounts
- Assistant Directors
- Camera
- Lighting
- Locations
- Production
- Post and VFX
- HETV drama short courses listed on [Skills Passport](#)

Key Information

This is a rolling bursary scheme, to which you can submit an application at any time.

The deadline for applications is **31 March 2019**. However, these funds are in high demand and will close when all of the funds have been allocated, which may be before this date.

You may only make one application at a time, but you can apply for more than one course in a single application. The training course must start **at least one day** after your application is made – we cannot accept applications for training which has already begun.

Who can apply?

You can apply for a HETV Bursary if:

- You can demonstrate **proven professional experience** of working regularly in the **UK Screen Industries**. Work undertaken at film school or in education will **not** be considered **suitable** experience;
- You have been accepted on the training course(s) you want to attend;
- You are able to demonstrate how the training you are applying for will benefit your career to progress within the **HETV industry**;

And the course you want to attend:

- Falls under the priority departments, and skills, identified above;
- Starts no earlier than one working day after the date your application is received by Creative Skillset;
- Is delivered by a recognised training provider;
- Must have started before 31st March 2019;

You **cannot** apply if you:

- Are in full-time education;
- Are employed on a permanent contract;
- Do not have a permanent UK address;
- Are applying on behalf of an organisation.

If your application is successful you may not reapply for another HETV Bursary until the following calendar year **and** once your training is complete, with all terms and conditions met.

If your application is unsuccessful we are not in a position to provide feedback.

Bursaries will not support

- Training or qualifications that fall outside the area of HETV drama;
- Full-time graduate, postgraduate, degree or diploma courses;
- Training that is already supported by other Creative Skillset funds;
- Training that is due to start earlier than one day after the date your application is received by Creative Skillset;
- Training not arranged through a recognised industry training provider or assessment centre;
- Attendance at networking, festivals or social events;
- The purchase of equipment;

Your application

It can take up to four weeks for us to reach a decision on your application. If you decide to go on your course before you receive a decision, Creative Skillset does not accept responsibility for funding your attendance. Wherever possible, please try to allow four weeks between making your application to Creative Skillset and your course starting.
